This trail run is a benefit for the [Garfield Elementary A.P.P.L.E.](#) program. A.P.P.L.E. (Alternative Parent Participation Learning Experience) is a program offered to any interested student and family in Spokane School District #81. As a parent participation program, parents and guardians spend time in the classroom and are encouraged to help in the planning and implementation of curriculum. The program also works at fostering a true feeling of community and involvement in the elementary classroom. This is a student centered and parent driven program. Through the A.P.P.L.E. program, parents are involved in the educational process and have a positive impact on their children's development. The money raised from the Spokane River Run will be used to supply necessary classroom items, field trips, books, art and science supplies: things that are critical to a child's complete and well rounded education.
